

SECTION 181. The first sentence of the second paragraph of section 150A of said chapter 111, as appearing in chapter 839 of the acts of 1970, is hereby amended by inserting after the word “department”, in line 8, the words: — of environmental quality engineering, in this section called the department.

SECTION 182. The third paragraph of said section 150A of said chapter 111, inserted by section 6 of chapter 1217 of the acts of 1973, is hereby amended by striking out the second sentence and inserting in place thereof the following sentence: — On or before the twentieth day of each month every such person shall file a return subscribed under the penalties of perjury with the board of health of the town in which such facility is located, on such form as the commissioner of environmental quality engineering, in this section called the commissioner, shall prescribe, giving such information as the commissioner shall require for determination of the fee imposed by this paragraph.

SECTION 183. The first sentence of section 152 of said chapter 111, as appearing in the Tercentenary Edition, is hereby amended by inserting after the word “department”, in line 2, the words: — of environmental quality engineering.

SECTION 184. The first sentence of section 159 of said chapter 111, as amended by section 2 of chapter 448 of the acts of 1951, is hereby amended by inserting after the word “department”, in line 2, the words: — of environmental quality engineering, in this section and sections one hundred and sixty to one hundred and sixty-six, inclusive, called the department.

SECTION 185. Said chapter 111 is hereby further amended by inserting after section 160A the following section: —

*Section 160B.* The department shall immediately report any violations of standards or regulations regulating the quality of water used for drinking, domestic or culinary purposes to the department of public health. If the department of public health ascertains from its own inspection or from the report of the department that there is a violation of those regulations or standards which may endanger the public health, it may order the appropriate party to cease violating the regulation and to take whatever steps are necessary to purify the water. If any such order of the department of public health conflicts with any order of the department the order of the department of public health shall take precedence. Such an order will be enforceable by the superior court sitting in equity upon the petition of the department of public health.

SECTION 186. The second sentence of section 174A of said chapter 111, as appearing in the Tercentenary Edition, is hereby amended by striking out, in lines 4 and 5, the words “game of the department of conservation” and inserting in place thereof the words: — wildlife of the department of fisheries, wildlife and recreational vehicles.

SECTION 187. The first sentence of section 175 of said chapter 111, as most recently amended by chapter 453 of the acts of
